

Privacy Policy

Last updated: Feb 01, 2022

Your privacy is critically important to us. At Airkard, we have a few fundamental privacy principles that are core to our app and operations:

- We have designed our app and services to give you 100% control over your data and how you choose to share your information. We believe each connection is unique, and you should be able to easily remove any information that you rather not share with others.
- We also provide another layer of privacy protection regarding who can access your card. You get to choose how you like to share your card and information.
- We are thoughtful about the personal information we ask you to provide and the personal information that we collect about you through the operation of our services.
- We store personal information for only as long as we have a reason to keep it.
- We aim to make it as simple as possible for you to control the information that you are sharing with us in setting up your account.
- We aim for full transparency on how we gather, use, and share your personal information.

Who We Are

We are Airkard, a service, and app designed to help You exchange Your contact information with others in a simple and joyful way. Through our service, You can design Your own contact card by choosing from various templates and adding any information that You choose to provide. Your cards can be shared with anyone with the information You choose to share. Our app also helps in managing Your contacts.

Below is our Privacy Policy, which incorporates and clarifies all the above principles. Our policies and procedures on the collection, use, and disclosure of Your information when You use the Service and tells You about Your privacy rights and how the law protects You.

By using the Service, You agree to the collection and use of information in accordance with this Privacy Policy.

Interpretation and Definitions

Interpretation

The words in which the initial letter is capitalized have meanings defined under the following conditions. The following definitions shall have the same meaning regardless of whether they appear in singular or in the plural.

Definitions

For the purposes of this Privacy Policy:

Account means a unique account created for You to access our Service or parts of our Service.

Affiliate means an entity that controls, is controlled by or is under common control with a party, where "control" means ownership of 50% or more of the shares, equity interest, or other securities entitled to vote for the election of directors or other managing authority.

Application means the software program provided by the Company downloaded by You on any electronic device, named Airkard

Company (referred to as either "the Company", "We", "Us" or "Our" in this Agreement) refers to Airkard INC.

Country refers to California, United States

Device means any device that can access the Service, such as a computer, a cellphone, or a digital tablet.

Personal Data is any information that relates to an identified or identifiable individual.

Service refers to the Application.

Service Provider means any natural or legal person who processes the data on behalf of the Company. It refers to third-party companies or individuals employed by the Company to facilitate the Service, to provide the Service on behalf of the Company, to perform services related to the Service, or to assist the Company in analyzing how the Service is used.

Third-party Social Media Service refers to any website or any social network website through which a User can log in or create an account to use the Service.

Usage Data refers to data collected automatically, either generated by the use of the Service or from the Service infrastructure itself (for example, the duration of a page visit).

You means the individual accessing or using the Service, or the company, or other legal entity on behalf of which such individual is accessing or using the Service, as applicable.

Collecting and Using Your Personal Data

Types of Data Collected

Personal Data

While using Our Service, We may ask You to provide Us with certain personally identifiable information that can be used to contact or identify You. Personally, identifiable information may include, but is not limited to:

Email address

Phone number

Usage Data

Usage Data is collected automatically when using the Service.

Usage Data may include information such as Your Device's Internet Protocol address (e.g. IP address), browser type, browser version, the pages of our Service that You visit, the time and date of Your visit, the time spent on those pages, unique device identifiers and other diagnostic data.

When You access the Service by or through a mobile device, We may collect certain information automatically, including, but not limited to, the type of mobile device You use, Your mobile device unique ID, the IP address of Your mobile device, Your mobile operating system, the type of mobile Internet browser You use, unique device identifiers and other diagnostic data.

We may also collect information that Your browser sends whenever You visit our Service or when You access the Service by or through a mobile device.

Information from Third-Party Social Media Services

The Company may allow You to create an account and log in to use the Service through the following Third-party Services:

- Google
- Apple

If You decide to register through or otherwise grant us access to a Third-Party Service, We may collect Personal data that is already associated with Your Third-Party Social Media Service's account, such as Your name, Your email address, Your activities, or Your contact list associated with that account.

You may also have the option of sharing additional information with the Company through Your Third-Party Social Media Service's account. If You choose to provide such information and Personal Data, during registration or otherwise, You are giving the Company permission to use, share, and store it in a manner consistent with this Privacy Policy.

Information Collected while Using the Application

While using Our Application, in order to provide features of Our Application, We may collect, **with Your prior permission:**

- Information regarding your location
- Information from your Device's phone book (contacts list)
- Pictures and other information from your Device's camera and photo library

We use this information to provide features of Our Service, to improve and customize Our Service. The information may be uploaded to the Company's servers and/or a Service Provider's server or it may be simply stored on Your device.

You can enable or disable access to this information at any time, through Your Device settings.

Use of Your Personal Data

The Company may use Personal Data for the following purposes:

To provide and maintain our Service, including to monitor the usage of our Service.

To manage Your Account: to manage Your registration as a user of the Service. The Personal Data You provide can give You access to different functionalities of the Service that are available to You as a registered user.

For the performance of a contract: the development, compliance, and undertaking of the purchase contract for the products, items, or services You have purchased or of any other contract with Us through the Service.

To contact You: To contact You by email, telephone calls, SMS, or other equivalent forms of electronic communication, such as a mobile application's push notifications regarding updates or informative communications related to the functionalities, products, or contracted services, including the security updates, when necessary or reasonable for their implementation.

To provide You with news, special offers, and general information about other goods, services, and events that we offer that are similar to those that you have already purchased or enquired about unless You have opted not to receive such information.

To manage Your requests: To attend and manage Your requests to Us.

For business transfers: We may use Your information to evaluate or conduct a merger, divestiture, restructuring, reorganization, dissolution, or other sale or transfer of some or all of Our assets, whether as a going concern or as part of bankruptcy, liquidation, or similar proceeding, in which Personal Data held by Us about our Service users is among the assets transferred.

For other purposes: We may use Your information for other purposes, such as data analysis, identifying usage trends, determining the effectiveness of our promotional campaigns, and evaluating and improving our Service, products, services, marketing, and your experience.

We may share Your personal information in the following situations:

- **With Service Providers:** We may share Your personal information with Service Providers to monitor and analyze the use of our Service, to contact You.

- **For business transfers:** We may share or transfer Your personal information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of Our business to another company.
- **With Affiliates:** We may share Your information with Our affiliates, in which case we will require those affiliates to honor this Privacy Policy. Affiliates include Our parent company and any other subsidiaries, joint venture partners, or other companies that We control or that are under common control with Us.
- **With business partners:** We may share Your information with Our business partners to offer You certain products, services, or promotions.
- **With other users:** when You share personal information or otherwise interact in the public areas with other users, such information may be viewed by all users and may be publicly distributed outside. If You interact with other users or register through a Third-Party Social Media Service, Your contacts on the Third-Party Social Media Service may see Your name, profile, pictures, and description of Your activity. Similarly, other users will be able to view descriptions of Your activity, communicate with You, and view Your profile.
- **With Your consent:** We may disclose Your personal information for any other purpose with Your consent.

Retention of Your Personal Data

The Company will retain Your Personal Data only for as long as is necessary for the purposes set out in this Privacy Policy. We will retain and use Your Personal Data to the extent necessary to comply with our legal obligations (for example, if we are required to retain your data to comply with applicable laws), resolve disputes, and enforce our legal agreements and policies.

The Company will also retain Usage Data for internal analysis purposes. Usage Data is generally retained for a shorter period of time, except when this data is used to strengthen the security or to improve the functionality of Our Service, or We are legally obligated to retain this data for longer time periods.

Transfer of Your Personal Data

Your information, including Personal Data, is processed at the Company's operating offices and in any other places where the parties involved in the processing are located. It means that this information may be transferred to — and maintained on — computers located outside of Your state, province, country, or other governmental jurisdiction where the data protection laws may differ than those from Your jurisdiction.

Your consent to this Privacy Policy followed by Your submission of such information represents Your agreement to that transfer.

The Company will take all steps reasonably necessary to ensure that Your data is treated securely and in accordance with this Privacy Policy and no transfer of Your Personal Data will take place to an organization or a country unless there are adequate controls in place, including the security of Your data and other personal information.

Disclosure of Your Personal Data

Business Transactions

If the Company is involved in a merger, acquisition, or asset sale, Your Personal Data may be transferred. We will provide notice before Your Personal Data is transferred and becomes subject to a different Privacy Policy.

Law enforcement

Under certain circumstances, the Company may be required to disclose Your Personal Data if required to do so by law or in response to valid requests by public authorities (e.g., a court or a government agency).

Other legal requirements

The Company may disclose Your Personal Data in the good faith belief that such action is necessary to:

- Comply with a legal obligation
- Protect and defend the rights or property of the Company
- Prevent or investigate possible wrongdoing in connection with the Service
- Protect the personal safety of Users of the Service or the public

- Protect against legal liability

Security of Your Personal Data

The security of Your Personal Data is important to Us, but remember that no method of transmission over the Internet, or electronic storage is 100% secure. Therefore, while We strive to use commercially acceptable means to protect Your Personal Data, We cannot guarantee its absolute security.

Your Rights

If you are located in certain parts of the world, including California and countries that fall under the scope of the European General Data Protection Regulation (aka the “GDPR”), you may have certain rights regarding your personal information, like the right to request access to or deletion of your data.

European General Data Protection Regulation (GDPR)

If you are located in a country that falls under the scope of the GDPR, data protection laws give you certain rights with respect to your personal data, subject to any exemptions provided by the law, including the rights to:

- Request access to your personal data;
- Request correction or deletion of your personal data;
- Object to our use and processing of your personal data;
- Request that we limit our use and processing of your personal data; and
- Request portability of your personal data.

You also have the right to make a complaint to a government supervisory authority.

California Consumer Privacy Act (CCPA)

The California Consumer Privacy Act (“CCPA”) requires us to provide California residents with some additional information about the categories of personal information we collect and share, where we get that personal information, and how and why we use it.

The CCPA also requires us to provide a list of the “categories” of personal information we collect, as that term is defined in the law, so, here it is. In the last 12 months, we collected the following categories of personal information from California residents, depending on the Services used:

- Identifiers (like your name, contact information, and device and online identifiers);
- Commercial information (your billing information and purchase history, for example);
- Characteristics protected by law (for example, you might provide your gender as part of a research survey for us);

- Internet or other electronic network activity information (such as your usage of our Services);
- Geolocation data (such as your location based on your IP address);
- Audio, electronic, visual, or similar information (such as your profile picture, if you uploaded one);
- Professional or employment-related information (for example, your company and role if you choose to input those on your cards); and

If you are a California resident, you have additional rights under the CCPA, subject to any exemptions provided by the law, including the right to:

- Request to know the categories of personal information we collect, the categories of business or commercial purpose for collecting and using it, the categories of sources from which the information came, the categories of third parties we share it with, and the specific pieces of information we collect about you;
- Request deletion of personal information we collect or maintain;
- Opt-out of any sale of personal information; and
- Not receive discriminatory treatment for exercising your rights under the CCPA.

Children's Privacy

Our Service does not address anyone under the age of 13. We do not knowingly collect personally identifiable information from anyone under the age of 13. If You are a parent or guardian and You are aware that Your child has provided Us with Personal Data, please contact Us. If We become aware that We have collected Personal Data from anyone under the age of 13 without verification of parental consent, We take steps to remove that information from Our servers.

If We need to rely on consent as a legal basis for processing Your information and Your country requires consent from a parent, We may require Your parent's consent before We collect and use that information.

Links to Other Websites

Our Service may contain links to other websites that are not operated by Us. If You click on a third party link, You will be directed to that third party's site. We strongly advise You to review the Privacy Policy of every site You visit.

We have no control over and assume no responsibility for the content, privacy policies or practices of any third party sites or services.

Changes to this Privacy Policy

We may update Our Privacy Policy from time to time. We will notify You of any changes by posting the new Privacy Policy on this page.

We will let You know via email and/or a prominent notice on Our Service, prior to the change becoming effective and update the "Last updated" date at the top of this Privacy Policy.

You are advised to review this Privacy Policy periodically for any changes. Changes to this Privacy Policy are effective when they are posted on this page.
